Enclosures: No. 111966-X1/54-1, dated 28-----12-----1954

Sir,

Sub: Education - Fisheries Schools at Kanhangad, Polippu and Hejamadikade in South Kanara District Temporary staff - further continuance - proposals.

Ref: G.O.Ms.No.1275 Agriculture dated 19-4-1054.

****

In their order cited above Government were pleased to sanction the continuance of the posts of one Secondary grade teacher and three Higher Elementary grade teachers employed in the following four Fisheries higher elementary schools in the South Kanara district for a further period from 1-4-54 to 28-2-1955:

Name of the School.	Number and grade of teachers.
1. Kanhangad	One Secondary Grade.
2. Polippu	One Higher Elementary Grade.
3. Kizhur	One Higher Elementary Grade.
4. Hejamadikode	One Higher Elementary Grade.

I enclose herewith a statement showing the strength and average attendance for September, October and November '54 in the four schools.

The details of staff and the distribution of work among the teachers in each school are given below:

Kanhangad School: This is a Higher elementary school with 10 classes from Standard I to VIII; the standards I and III having two divisions each. The total staff sanctioned for the school including the temporary posts of 1 Secondary Grade Teacher sanctioned in the G.C. cited is 3 secondary grade and 8 higher elementary grade teachers. The three Secondary grade teachers are in charge of the three Higher elementary standards of VI, VII and VIII and 7 Higher elementary grade teachers are in charge of 7 sections in standards I to V. The eighth higher elementary grade teacher is employed as prevocational instructor. The strength and attendance of all the classes are such that no two classes can be combined and put in charge of a single teacher and hence all the eleven teachers sanctioned are essential for managing the school.

Polipu School: This is also a Higher elementary school with eleven classes from standards I to VIII, sandard II, III and VI having two divisions each. The total staff sanctioned including one Higher Elementary Grade sanctioned in the G.C. cited is eight Higher elementary grade and five secondary grade teachers. Seven Higher elementary grade teachers and four secondary grade teachers are in charge of eleven classes and the remaining one Higher Elementary grade and one secondary grade teachers are employed one (Higher Elementary Grade) as a prevocational instructor and the other (Secondary Grade) to relieve the Headmaster from class work to enable him to attend to the supervision of the other classes and official work. Therefore all the thirteen teachers sanctioned are necessary to run the school.

(P.T.O.)

Hejmadikodi School: This is a hi her elementary school with 13 classes from standard I to VIII. Standards I to V are having two divisions each. The total sanctioned staff of 4 secondary grade and 11 hi her elementary grade teachers is being utilised as follows:

3 Secondary grade teachers in char e of standards VI, VII, and VIII.
1 Secondary grade teacher for relievin the Headmaster from his class work for atendin to supervision of the work of the Assistant Teachers and to attend to the Official correspondence work.
10 Hi her elementary grade teachers are in char e of Standards I to V each having two divisions; and
1 Hi er elementary grade teacher is employed as a prevocational instructor.
All the 15 teachers sanctioned for the school are essential for the school.

Kizhur School: This is also a Hi her Elementary School with standards I to VII. There were two divisions in standard III upto the end of November 1954. But owing to the religious sentiments a large number of Muslim pupils of the school were withdrawn by their parents for want of teaching of Arabic in the school. The strength in standard III fell down and hence the two divisions in this standard was combined into one with effect from 2-12-54 and the post of one Higher elementary grade teacher kept in abeyance from that date. Out of the sanctioned staff of 2 secondary and 7 higher elementary rade teachers only 2 secondary and 6 hi her elementary grade teachers ~~only 2 secondary and 6 higher elementary grade teachers~~ are employed as follows:

2 secondary grade teachers in char e of standards VI and VII; 5 Higher elementary grade teachers in char e of standards I to V (5 classes)
1 Higher Elementary grade teacher as prevocational instructor.

Therefore, the post of one hi her elementary grade teacher for the Kizhur Fisheries Hi her Elementary School is not necessary and need not be continued.

From the above, it will be seen that the staff sanctioned for the schools is quite necessary for the proper management of the schools.

I, therefore, request that Government may be pleased to accord sanction to the further continuance of the posts of one secondary grade teacher for the Kanhangad Fisheries Higher elementary school and two higher elementary grade teachers, one for the Polippu and the other for the Hejmadikode Fisheries Hi her Elementary Schools in the South Kanara District from 1-3-1955 to 31-5-1956.
